

BCCMA e-NEWSLETTER - November 2015

Hello Everyone,

Welcome to our November 2015 Newsletter. The BCCMA Directors take this opportunity to wish all our members health, happiness and much success!

As usual, we'd like to extend big 'thank you' to all our sponsors, supporters, friends, members and fans.

PRESIDENT'S MESSAGE

What an Awards Show!

I have never seen this many facebook/twitter posts in such a short period of time!

By the sounds of the feedback and comments, everyone went home feeling great about the evening, great about our Association and great about themselves.

I thoroughly enjoyed the evening and getting to touch base with so many of you. I am very impressed with the quality of our artists, musicians, production team, volunteers, sponsors and our many fans.

You all are what make this Association great to be a part of. If we all work together, and don't care about who gets the credit, we can accomplish much and have a terrific, meaningful time doing so.

We are going to take a few days to catch our breath and then make plans to take the BC Country Music Association into the coming year and beyond.

Brian Thate - President
BC Country Music Association

DANIELLE MARIE

Danielle Marie writes:

"I just want to give a huge Congratulations to all the nominees and award winners this past weekend and of course to the BCCMA busy bees behind the scenes. What an incredible weekend! THANK YOU! Winning the Ray McAuley Horizon Award, as cliché as it may sound, really did mean the absolute world to me. I feel since moving to the west coast, I've not only developed myself as an artist, but as a person also. Being recognized for the hard work my team and I have put in this past year and throughout my career is truly incredible. I want to pave a path for young artists to follow. I want them to know that you CAN be an indie and be successful. It just takes some hard work and passion." – Danielle Marie

This week, **Danielle** will be releasing a Christmas single (iTunes will include a B side of a very special song for fans when they purchase the Christmas single) and will follow up with a powerful song she co-wrote with **Byron Hill**.
