

ATTENTION BCCMA MEMBERS

The BCCMA has some exciting Showcase Opportunities for our Artists.

We have been working tirelessly for the past few months to develop partnerships with a wide variety of Community Groups, Festivals and Events in order to Showcase our talented Artists.

If you are a current BCCMA Member in good standing, and wish to expand your profile by lending your talents to these events, we invite you to contact us with your availability.

We will endeavor to provide at least 1 Showcase opportunity to each member Artist that applies to perform. Multiple performance times may be available depending on the number of applications to perform we receive.

All PA production will be provided at these events. Backline will be provided at the Cloverdale Rodeo and Country Fair. For all other events you will be required to bring your own backline equipment.

Please review the dates/times of the show case opportunities below and email us with your availability. The BCCMA will contact you with your showcase times after the submission deadline. Dates and times of performances will be at the discretion of the BCCMA.

All submissions should be sent to bccma@bccountry.com for selection. Please send your name, a link to a utube video performance and a short bio by April 15th.
