

BCCMA e-NEWSLETTER - June 2015

Hello Everyone,

Welcome to our June 2015 Newsletter. The BCCMA Directors take this opportunity to wish all our members health, happiness and much success!

As usual, we'd like to extend big 'thank you' to all our sponsors, supporters, friends, members and fans.

PRESIDENT'S MESSAGE

From the Desk of the President

BC Country Music Rocks!

I just came back from the most amazing weekend in Country Music! Our BC Country Music Association Artists brought the house down at the Cloverdale Rodeo! Not only did we have over 80 performances, many of our Artists performed on the other stages at the Rodeo too!

It has been the stated objective of our Association, in our service to our membership, "to provide showcase opportunities for our Artists in the best places possible with the best production possible to display our talents in the highest way possible."

WE DID IT!!

We did it with an incredible foundation that started with the Cloverdale Rodeo providing us the use of Shannon Hall and outside space to host an Outdoor 'Hay Wagon' stage and indoor, "party all night", high production stage.

Director, Geoff Dueck, pulled out all the stops and brought his dream team together to build a stage production and sound and light experience that is

usually reserved for the Bigs! Most of the backline was supplied by Long and McQuade, lighting and video was provided by Arctech Audio and the Awards Show Video was built by Silverstone Media.

Special thanks goes out to John Higgins with his amazing video editing, Sound engineer Scott Findlay (Road Hammers, Chad Brownlee), Audio engineer Carl Schmidt and Rico Domirti. Stage Manager Terry Gray, Lead Assistants Murray Bureyke and Rob Milford!

Our showcase Artists and our Artist Development Project contestants were treated to a quality of sound and stage support that will inspire them to strive to be their best!

A real highlight for me was meeting and getting to know many of you personally. You shared with me so many things, from working with our Board and volunteers to hearing the stories of so many that are trying to eke out a career in Country Music. You are all talented and hard working and I truly hope your careers will be lifelong and rewarding.

This family that we call the BC Country Music Association is growing, and growing together. As we continue to support one another and encourage each other to be the best that we can be, there is nothing that we can't achieve together.
